

# BIZARRO CARTOONIST DAN PIRARO

PRESENTS

## CARTOONS, COMEDY, & COMPASSION

An experienced speaker and stand-up comedian, Dan Piraro's presentations are a unique hybrid of the two. His subject matter typically includes a wide variety of topics from his cartoon career to his political views and his path to animal advocacy and veganism. Piraro uses videos, still images, cartoons, songs, stories, and the occasional onstage-drawing to communicate his ideas. Audiences are brought from laughter to concern to empathy and back again in this informative and entertaining presentation.
